

COMMUNITY PARTNERSHIP PLANNING WORKSHEET

Take stock of current partnerships: What organizations / groups is your church currently connected with for community ministry? Are there ways you could build on or improve this collaboration?

| Name of organization & contact person | How you collaborate (donate funds / items, provide volunteers, give referrals, share staff or space, etc.) | Ideas for how you could strengthen the partnership |
|---------------------------------------|------------------------------------------------------------------------------------------------------------|----------------------------------------------------|
| | | |

Ideas for new partnerships

What area(s) of your church's community ministry could be strengthened by having a partner?

What assets does your church have to offer that could have broader impact if shared with a partner?

What events, activities or programs could you do with a partner?

| Brainstorm potential partners in your community. Circle any that have some kind of personal connection with a church member or staff, and fill in that info in the right-hand column. | | Connections |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|--------------------|
| Schools / childcare | | |
| Nonprofits | | |
| Businesses | | |
| Public agencies / government | | |
| Physical / mental health | | |
| Cultural / arts organizations | | |
| Community organizing / advocacy | | |
| Coalitions, associations, networks | | |
| Other churches | | |

| Next steps | |
|-----------------------------------------------------------------------------------|-------------------------------------------------|
| What will be your next steps toward partnering? What are you most excited to try? | Who will be involved in working on these steps? |
| | |
